## MISSION STATEMENT

Our Academic mission is to empower our students to become active and creative learners equipped with skills to thrive in today's changing world. Our faith mission is to develop students with a sense of understanding and compassion for others and who are advocates for Catholic social teaching according to the Gospels of Jesus Christ.

## VISION STATEMENT

Saint Ephrem Catholic Academy is committed to educating students in Catholic values and traditions. Developing a firm foundation in academics, and fostering respect and service.

## SCHOOL PHILOSOPHY

Saint Ephrem Catholic Academy embraces that each child is a unique creation of God with spiritual, intellectual, and social needs. As members of the faith community, we instill in our students the teachings of the Catholic Church which are rooted in the Gospel. We foster relationships among parents, faculty, staff, and the community rooted in the Catholic Faith.

We recognize the importance of each faculty member as a personal representative of the faith and values held by the Catholic Church and transmitted through Saint Ephrem Catholic Academy.

As a multicultural school, Saint Ephrem Catholic Academy embraces students from an ethnically diverse population.

Through the uniform efforts and attitudes of faculty and staff, priests, school board, parents, and students, Saint Ephrem Catholic Academy develops, in the light of the Gospel of Jesus Christ, a sense of community by recognizing and by celebrating the dignity and uniqueness of each individual as created by God. We endeavor to promote respect for self and for others by respectful dealings with students and with each other.

Personal growth begins in the home and is reinforced in a community of faith. We believe that parents and faculty are partners in the academic and social growth of our students.

The educational policies of Saint Ephrem Catholic Academy are determined by the Office of the Superintendent of Schools of the Diocese of Brooklyn and by New York State. We believe that these policies, implemented within a Christ centered atmosphere, enable each student to pursue his/her goals beyond Saint Ephrem Catholic Academy community. We believe that the presentation of such policies requires appropriate renewal and prudent innovation.

The philosophy of Saint Ephrem Catholic Academy is finally determined by the belief that the school should foster student independence which enables them to accept their responsibilities as Christian citizens of their neighborhood, nation and global community.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.
